

The Gender Diversity Project invites YOU to an

# OPEN FORUM

on gender discrimination

Have you been  
**bullied or targeted**  
because of your gender variance?

Tired of teachers and administrators  
**screwing up**  
your name or pronouns?

Tired of  
**searching high and low**  
for a gender-neutral bathroom?

Come join people who share your struggle to discuss issues you've faced on campus and strategize real solutions. Things don't have to be like this - the change starts here!
