

Are you on the **AUTISM SPECTRUM?**  
Do you want to **BE A MENTOR?**  
If so, apply to be part of

# SPECTRUM SKILLSHARE

EDUCATION • EMPLOYMENT • GOVERNMENT SERVICES • DAILY LIVING

Spectrum Skillshare is looking for two adults on the autism spectrum to mentor people and offer peer support for other autistic adults needing help with education, employment, navigating government services and other daily life skills. Mentors and mentees will also plan skillshare workshops for members of the community.

If you are interested in becoming a mentor, contact the Project Coordinator at **[finn.gardiner@umb.edu](mailto:finn.gardiner@umb.edu)** or **617-287-4349**.

*Spectrum Skillshare is the project of the 2015-16 Barbara Wilensky Gopen Fellow at the Institute for Community Inclusion/UMass Boston. Co-sponsored by the Massachusetts Developmental Disabilities Network.*
